

Healthy Living: Spotting Quackery¹

Jennifer Hillan²

You've probably heard about many unproven health remedies from ads on the radio, TV, or Internet. It's important to learn how to spot these scams, or quackery, because they may be harmful and expensive. If it sounds too good to be true, it probably is! In the word search below, try to find these words that may be clues to quackery:

CURE	QUICK	MAGIC	NATURAL	SALES	TESTIMONIAL
------	-------	-------	---------	-------	-------------

T A K D N B B A I J D C
L E E K H F I C F R I A
S M S D D J Z Q B L I X
