What is good citizenship?
Hello, I’m __________________________, and I am ready to have some fun and to practice being a good citizen. So let’s get started and explore this thing called citizenship!

Did you say “What’s citizenship?” Citizenship is how we talk and act toward each other, and also how we think and feel about each other. It is our relationship with other people.

My Project Goals

List something you would like to learn through the 4-H Citizenship Project:

List something you would like to do to help your family through the 4-H Citizenship Project:

List something you would like to do to help your friends through the 4-H Citizenship Project:

Good citizenship is showing concern for ourselves and others around us. A good citizen treats others as he or she would like to be treated. Ask yourself the following questions:

Family Chores

There are many jobs and responsibilities that make a good home for our family. Some of these jobs are washing the dishes, cutting the grass, and cleaning my room. I asked my family to help me and we made this list of 10 important jobs at our home. We also decided who was responsible for each one.

Family Fun
Most families not only work together, but they do some things just for fun. Some family fun things are done indoors; some are done outdoors. Some activities we play ourselves and others we just watch. Here are some things I have done or watched with members of my family.

Getting Along at Home
Sometimes we forget that the other members of our family are real people, too. They have feelings which can get hurt just like ours. We need to understand how they feel before we say or do something that will upset them. If we think about this before we speak or act, we’ll get along with them much better!

I get along with my family:
- very well
- pretty well
- not too well
- not at all

Additional Citizenship Units

Good citizenship involves more than understanding and participating in government. Good citizenship is important in relationships with your family, friends, and neighbors. Good citizenship is important to your 4-H club and other organizations you belong to. It means understanding and appreciating yourself and your heritage, and having the same respect for other people and their heritages.

The citizenship project is made up of a series of seven units. The citizenship project consists of the following units:

• Unit 1: Me, My Family, and My Friends
• Unit 2: My Neighborhood
• Unit 3: My Clubs and Groups
• Unit 4: My Community
• Unit 5: My Heritage
• Unit 6: My Government
• Unit 7: My World
I pledge: My Head to clearer thinking,
   My heart to greater loyalty,
   My Hands to larger service, and
   My Health to better living, for my club, my
   community, my country, and my world
