

# USDA-Inspected Livestock Slaughter Facilities in Florida<sup>1</sup>

Chad Carr, Larry Eubanks, and Ryan Dijkhuis<sup>2</sup>

---

Several livestock producers are trying to gain a greater portion of the available profit margin by becoming meat marketers, rather than just livestock marketers. Additionally, many Florida consumers aspire to buy locally raised products. The following is a comprehensive list of USDA-inspected meat-animal slaughter facilities in the state of Florida. Contact these processors to help meet the needs of potential niche marketers or the most discriminating meat consumer.
